

15th CESPT

Sponsorship opportunities

15th Central European Symposium on Pharmaceutical Technology

25th- 27th September 2025, Bled, Slovenia

Venue

Rikli Balance Hotel
Cankarjeva cesta 4
SI-4260 Bled

Dear colleagues and partners,

We are pleased to announce the **Anniversary 15th CESPT**, which will take place from September 25-27th 2025, in the picturesque town of Bled, Slovenia, where this conference was founded 30 years ago.

The three-day event will provide focused panels in the fields of **pharmaceutical (nano)technology, industrial pharmacy, biopharmacy, and analytics**. It will feature established plenary and invited speakers, as well as numerous oral and poster presentations, offering ample opportunities for younger researchers to present their findings.

The 1st CESPT conference was held in October 1995 on Bled, Slovenia, under the patronage of EUFEPS. The subsequent events were successfully organized twice in Portorož, Vienna, Ljubljana, Siófok then again in Ljubljana, followed by Graz (2010), Dubrovnik (2012), Portorož (2014), Belgrade (2016), Szeged (2018), Gdansk (2021), and Ohrid (2023). And the 15th CEPST conference will be organised in Bled, Slovenia. Today, CESPT is recognized as a well-established platform for promotion of new scientific, professional and business connections and a recognizable event regularly attracting over 200 interested professionals from industry, academia and regulatory bodies worldwide and in particular from Central and Eastern Europe. Our aim is to attract participants from different parts of Europe, especially from countries, which have organised these meetings before, and those in the region.

Recognizing the importance of personal contacts in building solid networks, all social events are included in the registration fee, which is also open to young scientists, including PhD students and postdocs, from all over Europe. This is made possible by the generous support of our sponsors, from pharmaceutical companies to other institutions that share our vision. Therefore, we warmly invite your company to explore various sponsorship and exhibition opportunities, including:

- ✓ Symposium sponsorship or donations
- ✓ Advertising in the congress materials
- ✓ Online advertising
- ✓ Participation in the conference exhibition
- ✓ Sponsorship of social events
- ✓ Or any other unique ideas you may have.

Detailed information on the terms and conditions for sponsorship, exhibition and advertising can be found on our conference website at <https://www.sfd.si/cespt2025/>. We are also open to any other suggestions and ideas you may have. For further inquiries, please contact us at CESPT.2025@ffa.uni-lj.si, pisarna@sfd.si or anze.zidar@ffa.uni-lj.si. All sponsors will be duly acknowledged on the symposium homepage and in our materials.

We are very grateful for your attention and look forward to your possible support.

With kind regards,

President of the Symposium:
Prof. Mirjana Gašperlin, Ph.

Co-President of the Symposium
Prof. Rok Dreu, Ph.D.

Organizers:

SLOVENSKO FARMACEVTSKO DRUŠTVO
SLOVENIAN PHARMACEUTICAL SOCIETY

More info

CESPT.2025@ffa.uni-lj.si

BLED is situated in the northwest corner of Slovenia, at the foot of the Julian Alps, just 50 kilometers northwest of Slovenia's capital of Ljubljana and 150 kilometers from the Adriatic coast. Bled is without a doubt one of the most breath-taking meetings' destinations that will astonish visitors year-round. With a long history of hospitality, the richness of nature, exceptional products, and services put Bled high on the world MICE map. Bled is one of the leading sustainable destinations in Slovenia, also known as a hub for executive education and a cradle of many great world sports champions.
